BROWARD COUNTY LANDFILL

DID YOU KNOW?

- The landfill operates Mon-Sat 8 AM to 4 PM.
- The 588-acre footprint of the Broward County Landfill is on the corner of US 27 and Sheridan Street.
- Of the 588-acre footprint, approximately 223 acres are wetlands.
- Wetlands are areas that are saturated by surface or ground water at a frequency sufficient to support a prevalence of vegetation typically adapted for life in saturated soil conditions.
- There are only two active landfills in Broward County.
- The Broward County Landfill does not accept household garbage.
- Materials accepted at the Broward County Landfill includes: yard trash, bulk waste, construction / demo material, tires, boats, and mobile homes.
- The popular Vista View Park sits on top of what use to be a landfill which closed in 1987.
