DRAFT

# PARK OPERATIONS UPDATE – NOVEMBER 2023

## DIVISION HIGHLIGHTS

- Congratulations to the aquatics staff at Paradise Cove at CB Smith Park, Splash Adventure at Quiet Waters Park, Tropical Splash at Central Broward Park, and Castaway Island at TY Park on their outstanding achievement in receiving the prestigious Silver International Safety Award from Ellis and Associates, our County's Aquatic Risk Management provider.

  This exceptional recognition is a testament to the unwavering commitment, dedication, and expertise of our aquatics team members, who consistently prioritize the safety and well-being of our patrons. Their steadfast commitment to upholding the highest safety standards has created a secure and enjoyable environment for water enthusiasts of all ages.
- On Saturday, November 4, 2023, the Broward County Veterans Family Day transformed Reverend Samuel Delevoe Memorial Park into a lively hub of activity. Organized by the Special Populations Section and the Broward Municipal Service District Park staff, the event brought together local veterans and their families to honor their service and sacrifices.

  The day was filled with music, entertainment, and activities for all ages. Veterans and their families enjoyed live entertainment, connected with community resources, and received support from various organizations.

  The Veterans Family Day was more than just a celebration; it was a profound expression of Broward County's unwavering gratitude for its veterans and their families. The event provided a space for connection, camaraderie, and appreciation for those who have served our nation with distinction.
- Every fourth Tuesday of the month, the Division partners with the US Attorney's Office Southern District, Broward County Parks Division, Broward Sheriff's Office, and Farm Share to host a Food Drive Distribution at Franklin Park in the Broward Municipal Services District. This initiative provides free groceries to around 300 community families.

## REGIONAL PARKS

**C.B. Smith Park**
New amenities –

- The All-Golf Family Fun Center had a grand opening on November 15, 2023, to introduce the new Top Tracer application to its lighted, 60-station two-tiered golf driving range.

  Toptracer Range is an innovative ball-tracking technology transforming the everyday driving range experience, providing players with instant shot data and the ability to play a variety of fun and skill-based games.

  During the opening, the guests were entertained by Ben Kassman, a professional World Long Drive Tour member.

disabilities. A new Water Aerobics program started this month for Adults with Developmental Disabilities and/ or Physical disabilities.

# PARKS ADVISORY BOARD MEETING
## Fern Forest Nature Center - December 1, 2023

### A Little History:
Fern Forest is a Designated Urban Wilderness Area dedicated to the preservation of Broward County's natural environment while providing educational and enjoyable programming for its visitors. Fern Forest is a beautiful, diverse, 243.44-acre wilderness site consisting of 10 plant communities. Remnants of the historical Cypress Creek Floodway and other unique geological features are visible from the center's trails. Fern Forest Nature Center provides a magnificent refuge for wildlife and a bi-yearly stop for migrating birds. This phenomenon draws "birders" from all corners of the world! The park facilities include three nature trails - Cypress Creek Trail (½ mile boardwalk), Prairie Overlook Trail (1 mile foot trail), and Maple Walk (⅓ mile rustic foot trail), a picnic shelter, outdoor amphitheater, nature center and the Royal Fern Hall.

### Acquisition:
The property was purchased as part of the 1978 Bond Issue for park land acquisition and park development and opened in November of 1985.

### Status:
Visitors use the park for environmental education, exercise, wildlife photography, birding, and relaxation. The Royal Fern Hall is rented for weddings, parties, and meetings. Schools, scouts, clubs, and the general public attend educational programs and special events throughout the year. These groups, as well as the park's friends group, Fern Allies, volunteer their time to help beautify the park and assist with special events. Fern Forest Nature Center has an integrated resource management program consisting of controlled burns, exotic plant removal, native plant restoration and wetland management through the rewatering project.

### Quick Facts:
- Park staff consists of 1 Park Manager, 1 Park Supervisor, 1 Park Naturalist, 1 Full-time Park Aide, and 3 Part-time Park Aide staff.
- Royal Fern Hall rentals in FY 2023 was 97 bookings
- Park attendance in FY 2023 was 91,830 visitors
- Program attendance in FY 2023 was 3,100 participants

- FY 2023 we provided the following Special Events and Programs: 6 Naturalist Led Night Hikes, Quarterly Astronomy Series (4), Fern Forest Family Fall Fun Day, Funtober Spiny Orb Weaver program, 5 Intro to Birding Classes, 6 Saturday Stoll and Learn Programs, 10 Specialty Guided Walks, 52 Sunday Guided Nature Walks, 12 Public Workdays, 10 Dan Barrow Memorial Bluegrass Jam Events (2 in the evening), Gopher Tortoise Day,12 Adult Coloring Hour, Earth Day Special Event, 4 Zooming in on Nature Photography Walks, 12 Nature Tot Programs, 9 Environmental Organization Monthly Meetings, 2 Native plant sales, 1 Senior Program for the Southwest Focal Point Center, Nordic Pole Walking program (12) with the Special Populations Group

**Recent Improvements:**

- Amphitheater benches refurbished
- Building stairs refurbished
- Service road improvements
- 2nd Phase Security cameras installed in parking lot

**Upcoming Improvements:**

- Nature Center display upgrades
- Nature Center exterior refurbishment
- New drinking fountain with water bottle filler in shelter
- Development of an Eco concept playground
