Statement Waiving Rights to Object to an Open Burn Activity

I/we understand that the open burn activity at: _____

_____

Proposed by: _____

Does not meet the set back requirements from my residence as specified in Broward County Code, Article IX, Section 27-286, Open Burning Requirements. By signing this document, I am waiving my objections to this open burn activity.

The open burn activity does not meet one of the following applicable set back requirements which only apply to air curtain incinerator(s), or municipal, industrial, commercial or research burning. Select applicable:

☐ *300 feet or more away from any occupied building. I understand that my house/business is approximately _____ feet from the burn site.*

☐ *1000 feet or more away from any occupied building for operation of an air curtain incinerator. I understand that my house/business is approximately _____ feet from the burn site.*
