Permitted Uses

Activity Center

- The Activity Center Use category has been updated to remove the policy criteria from the land use description and the transitional language from the 2017 update, as well as to reflect the Planning Council interpretation regarding swapping out permitted dwelling unit types for those that generate fewer students.

Agriculture/**Commerce**/Community

- Updated to reflect the modern reference for the Special Residential Facilities. **October 2025 Direction: Planning Council staff proposes elimination of the acreage maximum for allocations of Flexibility or Redevelopment Units.**

Mining

- The Mining Use category has been omitted, as there are no lands on the BCLUP Map designated as such. **The Policies section of the Plan continues to maintain protective measures and prohibition of fracking.**

Recreation and Open Space

- The Recreation and Open Space Use category has been updated to permit residential use by right with an affordable housing requirement, per the Steering Committee direction provided at its March 27, 2025, meeting. **October 2025 Direction: Should exclude east of the Intracoastal Waterway consistent with other incentives.**

Permitted Uses

Residential

- The Residential Use category has been updated to permit horizontal mixed use, reflect the modern reference for Special Residential Facilities, remove outdated language for accessory dwelling units and live-aboard vessels and modernize descriptions for Dashed-Line and Redevelopment Areas.

Rural Estates

- The Rural Estates Use category has been updated to remove outdated language for accessory dwelling units and add community residential dwellings to the permitted uses.

Rural Ranches

- The Rural Ranches Use category has been updated to remove outdated language for accessory dwelling units and add community residential dwellings to the permitted uses.

Transportation

- The Transportation Use category has been updated to modernize consideration for various transportation technologies and advancements and remove outdated language for the underlying land uses of expressways.
