VULNERABLE POPULATION REGISTRY

What is it?

The Vulnerable Population Registry is a tool that municipalities can use to help evaluate resident needs in their communities and assist in planning a response in an emergency. While registering in the database is not a guarantee that you will be provided services or placed on a priority list for responders, it will help responders be better prepared to meet your needs in a recovery. **You only need to register once.**

Pre-register:

- If you are at risk due to a disability, frailty or health issue, regardless of age, and you elect to stay at home in the event of a hurricane or other emergency
- In advance, and before a storm threatens
- Online at [Broward.org/Registry](https://www.broward.org/Registry), by calling the Broward County Call Center at 311 or 954-831-4000 (TTY 954-831-3940), or by contacting your municipality's emergency management agency

All information provided will be held in strict confidence as required by State law.

If you move or no longer want to be included in the Registry, call your city or our Call Center at 311 or 954-831-4000 (TTY 954-831-3940).

A list of our General Population and Pet-Friendly Shelters, which should be considered a refuge of last resort, can be found on the back, or by visiting the shelter page on the hurricane website.

Monitor our website, [Broward.org/Hurricane](https://www.broward.org/Hurricane), local television stations or call our Emergency Hotline at 311 or 954-831-4000 for actual shelter openings. Not all shelters will be open during an emergency.

This Registry is a joint partnership between municipalities and Broward County.

A service of the Broward County Board of County Commissioners. An equal opportunity employer and provider of services.

The following shelters may not all open during a state of emergency. They are opened as needed. **ALL** mobile home residents must evacuate in **PLAN A** and **PLAN B** and may be ordered to evacuate if tropical storm conditions warrant.
