Non-Domestic Wastewater and Cooling Towers

Forms:

- [Application For License To Operate a Direct Discharge From Non-Domestic \(Industrial\) Activity, 5 pages](#)
- [Application For Renewal License To Operate a Direct Discharge From Non-Domestic \(Industrial\) Activity, 5 pages](#)
- [Application for Cooling Tower License, 2 pages](#)
- [Application for Cooling Tower License Renewal, 2 pages](#)

Surface Water Management

Forms:

- [Broward County Surface Water Management License Application](#)
- [Application for Transfer of Surface Water Management License](#)
- [Forms of the Environmental Resource Permitting, State 404 Permitting, and Submerged Lands Programs](#)

Resources:

- [What to Expect When We Are Inspecting Surface Water Management Systems](#)
- [Florida Storm Water, Erosion, and Sedimentation Control Inspector's Manual](#)
- [Checklist For Surface Water Management License Application](#)
- [Broward County Environmental Resource Permits Delegation Agreement](#)

Fees:

A. For section 27-201 (c) (1), "Surface Water Management License and Letter of Conceptual Approval"

Project Size (acres)	Application Fee
40 or less	\$2,250
Greater than 40 but less than 100	\$5,760
Greater than 100	\$8,295

B. For section 27-201 (c) (1), "Modification Surface Water Management License and Letter of Conceptual Approval"

Project Size (acres)	Application Fee
40 or less	\$1,500
Greater than 40 but less than 100	\$3,795
Greater than 100	\$5,475

C. For section 27-201 (c) (2), "License Renewal"- 50% of Initial Application Fee

Note	Fee
Not less	\$1,125
Maximum Renewal Fee	\$3,000

D. For section 27-201 (c) (4), "Plan Review"

Note	Fee
With Drive	\$52.50
Without Drive	\$22.50

E. Other Fees

Section	Type	Fee
27-201 (c) (3)	General License	\$375
27-201 (c) (5)	License Transfer	\$150
27-201 (c) (6)	License Extension	\$150
27-201 (c) (7)	Partial/Phase Certification	\$150

Tree Preservation

Form:

- [Tree Removal License Application](#)

Fees:

A. Tree Preservation and Abuse Fee Schedule

Removal Type	Developed Single Family or Duplex Residential Property	All Other Developed Residential Occupied Property	All Other Property
For the Initial Tree Removal License.	\$100.00	\$150.00	\$250.00
Plus, for each proposed to be removed or relocated, less than 18" dbh.	\$25.00	\$25.00	\$25.00
Plus, for each tree proposed to be removed or relocated 18" dbh and over.	\$50.00	\$50.00	\$50.00
Plus, for each tree removed or relocated prior to obtaining a Tree Removal License having a dbh less than 18".	\$50.00	\$50.00	\$50.00
Plus, for each tree removed or relocated prior to obtaining a Tree Removal License having a dbh of 18" or greater.	\$100.00	\$100.00	\$100.00

B. Tree Removal License Modification Fee Schedule

For a modification of a license \$100.00

Plus, for each additional tree proposed to be removed or relocated:

Type of Modification	Developed Single Family or Duplex Residential Property	All Other Developed Residential Occupied Property	All Other Property
Less than 18" dbh	\$25.00	\$25.00	\$25.00
18" dbh and over	\$50.00	\$50.00	\$50.00
Each tree removed or relocated prior to obtaining a Tree Removal License Modification having a dbh less than 18"	\$50.00	\$50.00	\$50.00
Each tree removed or relocated prior to obtaining a Tree Removal License Modification having a dbh of 18" or greater	\$100.00	\$100.00	\$100.00

Note: * dbh = diameter at breast height (4 1/2 feet off ground)

Aquatic and Wetland Resources

Forms:

- [Environmental Resource General License](#)
- [Request for Wetlands Determination](#)
- [Application to Transfer License](#)
- [Application to Transfer- Marine Facilities Operational License](#)
- [Environmental Resource License Application](#)
- [Environmental Resource General License for Floating Vessel Platforms \(FVP\)](#)
- [Forms of the Environmental Resource Permitting, State 404 Permitting, and Submerged Lands Programs](#)
- [SPGP Commencement Notification](#)
- [SPGP Statement of Compliance](#)
- [SPGP Application for Transfer](#)

Resources:

- [Army Corps of Engineers - SPGP](#)
- [Broward County Environmental Resource Permits Delegation Agreement](#)

Fees:

Project Type	Fees
For Section 27-336: General Licenses	\$200.00
* For Section 27-334: Maintenance dredging or projects equal to or less than 100 cubic yards of dredged and/or fill material, and/or Installation of buoys or aids to navigation (added 08/22/2017)	\$375.00
* For Section 27-334: • Projects greater than 101 to less than 1,000 cubic yards of dredged or fill material; • Marina or dockage facility less than or equal to 10,000 square feet of water surface area;	\$675.00

• Seawall less than or equal to 200 feet in length; • Installation of subaqueous transmission or distribution lines with less than 1000 cubic yards of dredged or fill material	
* For Section 27-334: • Projects with 1,001 to 10,000 cubic yards of dredged or fill material; • Marina or dockage facility with greater than 10,000 square feet of water surface area; • Seawalls greater than 200 feet in total length.	\$1,200.00
* For Section 27-334 Projects with 10,001 to 100,000 cubic yards of dredged or fill material	\$3,000.00
* For Section 27-334: • Projects greater than 100,000 cubic yards of dredged or fill material.	\$6,000.00
For Section 27-334: Request for license transfer	\$150.00
For Section 27-334: Request for license modification.	\$150.00
For Section 27-334: "Mitigation Monitoring Fee" for in-county mitigation projects:	• The annual fee shall be 40% of the initial license fee which shall be submitted prior to license issuance. • As of 08/22/2017 ordinance change, there is no fee for mitigation bank projects.

For Section 27-334: "Wetland Jurisdictional Determinations" Determinations will be performed subsequent to the receipt of a written request accompanied by the following processing fees	(a) For parcels less than or equal to 2 acres \$100.00 (b) Each additional acre or portion thereof 50.00
For Section 27- 334 (c): Projects proposing new or expanding marine facilities:	- A non-refundable filing fee deposit of \$100 per new slip proposed to be submitted with an Environmental Resource License (ERL) application - A mitigation fee based on the Manatee Protection Plan (MPP) fee schedule for the year the ERL is issued.

Manatee Protection Plan Fee Schedule

New per slip fee as of FY 2022: \$666.00

Annual per slip fee as of FY 2022: \$32.00.

Waste Regulation

Forms:

- [Pre-Designated Temporary Debris Management Sites Notification Form](#)
- [Application to Transfer a Hazardous Material Transfer Facility License](#)
- [Application for: Borrow Pit Reclamation Projects, Landfills, Material Recovery Facility or Transfer Station, Compost Facility, Waste Tire Facility, and Construction and Demolition Debris Disposal Facility](#)
- [Additional Applications and Forms for Facilities Requiring State Permits](#)
- [Application to Transfer a Solid Waste Management Facility License](#)
- [Waste Processing Facility Monthly Report](#)
- [Application for a Waste Transporter License: Sludge Hauling, Discarded Hazardous Material Hauling, Biomedical Waste Hauling](#)
- [Waste Transporter Monthly Report](#)

Fees:

A. Fee Schedule for "Licenses for sludge, discarded hazardous material and biomedical waste transfer stations"

Type of License	Construction Fee	Annual Operation Fee	License Fee (5 year License)
New license: Construction fee and Operation fee 4 years	\$600	\$624	\$3,100
Renewal License: Operation fee 5 years	N/A	\$624	\$3,120
License Modification	N/A	N/A	\$104.50

B. Fee Schedule for "Waste Transporter License Requirements and Standards"

Application fees:

Application fee: \$100

Renewal fee: \$50 (Waived if no violations of Chapter 27 occur in the preceding license year.)

Modification Fee: \$50

Operating fees:

Multiply the total amount of waste (gallons or tons) by the unit fee for each waste type(s).

Note: The Monthly Report is due each month by the fifteenth (15) of the following month.

Monthly Report of quantity reported:

Type of Waste Transported	Fee
Used oil, radiator fluid, and nonhazardous industrial waste	\$0.007 per gallon
Hazardous waste and waste photo chemical	\$0.035 per gallon
Sludge	\$0.004 per gallon
Dry sludge	\$1.09 per short ton
Contaminated soils	\$0.75 per short ton
Medical waste and nonhazardous industrial waste	\$0.75 per short ton

C. Solid Waste Management County Fee Schedule

- 1) Construction/Operation License Fee for solid waste management facilities except for the following: borrow pit reclamation areas and government-owned or operated transfer stations which solely receive bulky wastes and vegetative debris from households.

Type	Fee
License fee (5 years)	\$7,200
License minor modifications	\$300
License intermediate modifications	\$1,800
License substantial modifications	\$3,600

- 2) Construction/Operation License fee for government owned and operated transfer stations which solely receive bulky wastes from households and vegetative and clean wood processing facilities.

Type	Fee
License fee (5 years)	\$3,600
License minor modifications	\$300
License intermediate modifications	\$600
License substantial modification	\$1,200

- 3) Construction/Operation License fee for borrow pit reclamation areas.

Type	Fee
Projects equal to or less than 1,000 cubic yards of fill material (5 years)	\$1,200
Projects with 1,001 to 10,000 cubic yards of fill material (5 years)	\$2,400
Projects with 10,001 to 100,000 cubic yards of fill material (5 years)	\$3,600
Projects with greater than 100,000 cubic yards of fill material (5 years)	\$7,200
License modifications	\$300

- 4) Transfer of License \$120
