Step 3:

Make sure the property you wish to purchase is eligible for purchase assistance.

- ➔ Must be single family, townhome, villa, condominium or manufactured home with real property/property tax ID. Mobile homes and cooperatives are not eligible.
- ➔ Maximum sales price is \$679,324

Step 4:

Make sure you, as the buyer, are eligible for purchase assistance.

- ➔ You must be able to qualify for and secure a first mortgage, 30-year term, that meets Broward County lending guidelines.
- ➔ You may not have owned a residential property in the previous three years.
- ➔ You must use the purchased residence as your primary domicile for the term of the loan.

Step 5:

Talk to a lender!

- ➔ Meet with a residential mortgage lender to get pre-approved for a first mortgage loan. A list of participating lenders can be found at Broward.org/Housing or [click here](#).
- ➔ Attend a Homebuyer Education class conducted by a South Florida HUD-approved agency. To find a class, visit HUD.gov.
- ➔ Once you are pre-approved to purchase an eligible property, the lender reserves funds with Broward Housing and Urban Planning Division.

**Funds are expended on a first-come, first-qualified, first-served basis, when available. Assistance may be used for closing costs, down payment, principal reductions and/or interest rate buydown. Other terms may apply. Questions, call Broward County Housing and Urban Planning Division at 954-357-4943.*
