

Homeless

Broward County residents who do not have a permanent home or place of safety to reside are especially vulnerable during emergencies, such as a hurricane. When a Hurricane Warning is announced, the Homeless Helpline 954-563-HELP (4357), provides information and referral for [homeless services](#) in Broward County, including assistance in finding shelter, support services, or programs for individuals or families who are homeless or on the verge of being homeless.

Additionally, when a hurricane warning is announced or a mandatory evacuation order is issued, Broward County Transit (BCT) buses will offer evacuation transportation from the assigned pick-up points to General Population shelters. Transportation will continue until sustained winds reach 39 miles per hour.

Pick-up Points for Persons Experiencing Homelessness:

North

Northeast Transit Center
MLK Jr. Blvd & Dixie Highway
Pompano Beach, FL 33060

Central

Salvation Army Lodge
1445 West Broward Blvd
